Thursdays from 9:30-10:15 am

**PLOVER
TODDLER TIME**

Mondays from 9:30-10:15 am

*HAPPY
Valentine's
DAY*

SPRING SESSION REGISTRATION

Registration for our Spring Session officially opens February 9th to the public. Make sure to register early as spots will fill quickly. If classes are full, put your child on a waitlist. Staff and time slots are limited, but we will do what we can to open more classes if the other classes are full. You can view classes online now, however, registration is not open yet.

Coaches will be finalizing their class recommendations this week. You will be able to check with the coach or the front desk next week for a class recommendation for your child. Keep in mind, coaches recommendations are important to the progression of gymnastics and ninja skills. For example, if a student does not master a correct handstand and show strength in that position, it is unsafe for them to work back handsprings. If a proper forward roll is not mastered, the front tuck (or front flip) may flip at an angle, making the landing difficult. Putting a child in a class for scheduling convenience is not recommended and can compromise the integrity of the class.

ANNUAL GYMNAST AND NINJA SPOTLIGHT SHOW

SAVE THE DATE! The annual spotlight show will be on May 20-21, 2023. The spotlight show is a great way for your child to show off what they have learned in class. Registration for the annual spotlight show will be open this month.

Enrollment in the Spring Session is required to participate in the annual spotlight show. We will send information home with students as well as an e-mail once we have finished all the details. You will be able to register on-line or in person.

• SHOUT OUTS at THE SPOTLIGHT SHOW

- Shout Outs are small gifts that you may purchase for the participants.
- You will be able to write a message of congratulation, support or encouragement that will be attached to these gifts and will be announced over the sound system.
- These are a great way to acknowledge your special athlete.

SUMMER SESSION

Carousel Gymnastics offers classes throughout the year. The summer session will be a little different from previous years. We are looking to try something new by offering day camps and skill clinics at our Waupaca location during the beginning of the summer. The normal summer session will begin in the later part of June.

Like us on Facebook to stay up to date on classes and events!
