OCTOBER**

Welcome Back!

The 2023-2024 School year has begun. We hope that everyone was able to enjoy the last few days of summer and the kids are settling into school. We are excited to see our returning students and meet our new students starting September 11th. Staff have been busy cleaning the gym, and preparing lesson plans.

2023-2024 Theme: Dinosaurs

It's like taking a walk in the park...Carousel Park. Dinosaurs represent strength, power and determination. This year we hope to bring out the dinosaur in the students we teach. In May of 2024 we will have our annual spotlight show for a chance to see your little dinos in action. Students will need to be enrolled in the spring session to participate in the annual spotlight show.

How to prepare your child for class

Make sure your child is properly dressed for class before they arrive. This means appropriate workout attire (either shorts, pants, t-shirts or leotards). Sports bras and leggings are not appropriate attire for class as coaches need to spot children on skills and this can be uncomfortable for both student and teacher. Ninja Zone students (Waupaca location) will need to have a Ninja uniform for class. This can be purchased at THENINJAZONE.STORE. Jewelry, fitbits or watches should not be worn in class. Carousel Gymnastics is not responsible for any lost items. Each child that has a class that is 60 minutes or more should bring a water bottle. Classes less than 60 minutes should not need a water break until after class.

Make sure to arrive 10 minutes before class begins to be prepared to learn. This is especially important for children under 5. This helps them acclimate to their surroundings and get to know the children in their class. For some children, arriving late causes a lot of stress and unwillingness to participate in class. Let's work together to set them up for success.

Lobby Area Etiquette

All students will need to check in at the front desk for attendance. They may use the locker room to store their belongings. For safety, there is no running, gymnastics or ninja skills in the locker room or lobby area. Please remind your children to use inside voices as it can be difficult for the front desk staff to hear when they are on the phone. Lastly, all children must be supervised when in or outside our building. Let's all stay safe!

Welcome New Instructors

You may see a few new faces this session. We are training new instructors and will have some of our advanced team members helping out in class. We are excited to be adding new staff to the Carousel family and cannot wait to see our program grow even more.
