PLOVER - Mondays

9:30-10:15 am

starting October 2nd

WAUPACA - Thursdays

9:30-10:15 am

and 11:15-12

IMPORTANT INFORMATION

WAUPACA LOCATION: We offer class pick up for your child at Sunny Day so they can attend classes during the daytime or early afternoon hours while you are at work. Sunny Day closes at 5:30 pm so if your child attends class at 4pm or later, you will need to pick up your child from Carousel promptly at the end of their class. Please be sure to notify our front desk staff when you pick up your child.

NINJAS - Uniforms are required for all Ninja classes per Ninja Zone. Please come properly dressed in your Ninja uniform when arriving for class. Uniforms can be purchased online at www.THENINJAZONE.STORE.com

ALL STUDENTS - Make sure to bring water bottles to class. It is important for athletes to stay hydrated when working out.

WINTER SESSION

Winter session is just around the corner. Registration will open **October 19th** for students currently enrolled in the fall session and **October 20th** for everyone. Be on the look out for the schedule on Facebook and our website. We will do our best to indicate which class your child should register for in the winter session. Keep in mind it can be difficult to predict if your child will master the skills required to level up in just 4-5 weeks of class. See your child's instructor or front desk for class recommendations. Class tuition plus the \$20 annual registration fee will need to be paid at the time of registration in order to hold your child's spot in class. Register early as classes fill quickly.

CLASS DRESS UP IN OCTOBER

October is Breast Cancer Awareness Month. Let's wear **PINK** the week of October 9th - 13th to support those that have been diagnosed with breast cancer and for those that have survived the fight. You don't have to face it alone, we are stronger together.

Students may wear their work-out appropriate Halloween costumes to class the week of October 23 - 27th. Don't have a costume? Feel free to wear any Halloween festive outfit to class.

COLD, FLU AND ALLERGY SEASON

Along with COVID, there is also cold, flu and allergy season. If your child does not feel well, please keep them home so we can keep unwanted germs out of our facility. If your child did not go to school, please do not send them to class. We hope our community can stay healthy this season.
