### Thanksgiving Break Skill Clinics

Our skill clinics were so popular over the summer, we thought we would bring them back during our breaks this year at our Waupaca location. There will be a variety of clinics for children ages 5+ being held on November 20th and 21st. We will have cartwheel clinics, flips clinics, handspring clinics, aerial clinics and even obstacle training clinics for those high energy kiddos that want to climb, tumble and jump through an obstacle course. Register now by visiting our website. These clinics will be listed under "camps." More clinics will be available during the Holiday and Sprink breaks.

### IMPORTANT PLOVER LOCATION INFORMATION

Slow down as you enter the driveways in the Plover location. There are children at play as well as farm animals that roam the area. DO NOT go by the barns. The barns and farm sheds are not part of Carousel Gymnastics. Children and adults should refrain from going to those areas to keep from spooking the animals or having them follow you to your car.

### Save the Date!

*Jingle Bell Rock-Out*  
**December 2, 2023**

We will be hosting a Jingle Bell Rockout party again from 9 am-noon at our Waupaca location. This is a **FREE** event and open to the public. There will be children's activities, crafts, games and even a special guest. Be on the look out for more details this month.

### Bad Weather Policy

As the weather gets colder, we wanted to remind you of our Weather Policy. In case of bad weather, always use your own judgement in traveling to class. Classes will run as scheduled UNLESS AFTER SCHOOL ACTIVITIES ARE CANCELED DUE TO BAD WEATHER or the safety of staff, families or students is a concern. The Waupaca location will follow the Waupaca School District and the Plover location will follow the Stevens Point School District policy. If AFTER SCHOOL activities are canceled, Carousel Gymnastics will be closed. Any inclement weather closings will be posted on the Carousel Gymnastics Facebook and answering machines (if possible).
