Mondays from 9:30-10:15 am

Added Toddler Times for Plover:
Friday, February 9th and 23rd
from 10-10:45 am

HAPPY
Valentine's
DAY

SPRING SESSION REGISTRATION

Registration for our Spring Session officially opens for students currently enrolled in the Winter Session, February 8th at 8 AM and February 9th to the public. Make sure to register early as spots will fill quickly. If classes are full, put your child on a waitlist. Staff and time slots are limited, but we will do what we can to open more classes.

Coaches are finalizing their class recommendations this week. You will be able to check with the coach or the front desk next week for a class recommendation for your child. Recommendations can also be found on your parent portal. Keep in mind, coaches recommendations are important to the progression of gymnastics and ninja skills. For example, if a student does not master a correct handstand and show strength in that position, it is unsafe for them to work back handsprings. If a proper forward roll is not mastered, the front tuck (or front flip) may flip at an angle, making the landing difficult. Putting a child in a class for scheduling convenience is not recommended and can compromise the integrity of the class. Always speak with your child's instructor if you have questions.

ANNUAL GYMNAST AND NINJA SPOTLIGHT SHOW

SAVE THE DATE! The annual spotlight show will be on May 18-19, 2024. The spotlight show is a great way for your child to show off what they have learned in class. **What's new for the Ninja Spotlight Show...** NINJA GAMES are coming! The Ninja Games are where Ninjas can test their skills and showcase their hard work! Ninjas will be competing against each other in their respective levels, but more importantly, against themselves. Enrollment in the Spring Session is required to participate in the annual Gymnast spotlight show or Ninja Games. You will be able to register on-line or in person.

You will be able to register for this event at the time of the spring session registration. Registration will include a leotard or t-shirt for your child to be worn at the event. Make sure to indicate the size of leotard or t-shirt that your child needs at the time of registration.

**REGISTRATION DEADLINE FOR THIS EVENT
IS MARCH 8, 2024**
