SPOTLIGHT SHOW & NINJA GAMES COMPLETE

Thank you again to all the parents, family members and friends that came to the Spotlight show and Ninja Games to support the students at Carousel Gymnastics. The students did AMAZING! It was so fun to watch their personalities shine and to see how far they have come. We cannot wait to watch them grow as people and students.

WAUPACA LOCATION

We have some instructor positions available in our Ninja Program and our Gymnastics Program. Enrollment for students may look different in the fall if we are unable to find Ninja and Gymnastics instructors. If you have an interest in the sport of gymnastics or Ninja, enjoy working with children and just want to have some fun, apply for a position at Carousel Gymnastics. No experience necessary. Training can be done on site. We are looking for enthusiastic people that have a passion for helping children. This job doesn't just teach children skills, it also helps them gain self-esteem, confidence and a determination to do their best. These are great characteristics for life. We are developing our future.
