be coming soon.**

HAPPY

Easter

Summer Classes, Camps and Clinics

Summer is not far away and most families are starting to set their summer schedules. Carousel Gymnastics will be offering camps, clinics, regular gymnastics, and ninja classes throughout the summer. We are finalizing the schedules for our classes and clinics, however our camps are open now for registration. Registration for the Princess Tea Party and the popular Wet, Wild and Wacky Science Camp are open NOW. Skill clinics will be held in June and are a great way to get extra practice on specific skills that take more time to master. Watch your email for exact registration dates for the clinics and our summer session that begins in July.

Parent Portal Payments

Class Pro has changed some things with payment options in the parent portal. There are options to select what you pay for, however, this is not our policy. You will need to pay for classes, clinics & camps at the time of registration. Payment is required to hold your child's spot. An email will be sent out if we notice that payment was not received and you will have 24 hours to complete payment or we will unenroll your child and let the next person on the wait list register. If you cannot make the full payment at time of registration, make sure to contact the front desk and set up a payment plan.

Spotlight Show & Ninja Games

The Spotlight Show and Ninja Games registrations are in and we have the schedule complete. We will run both the Gymnast Spotlight Show and Ninja Games on May 17th. Once we have things together, a note will go home with your child that indicates the exact time they will need to be there. Here is the current schedule for those that are registered:

- Tiny Tot, Tumbling Tot, & Super Tot - 9:00 am
- Xcel Tot & Rec I - 10:30 am
- Rec II & Rec III - 12:30 pm
- Rec IV, Rec Xcel & Team Trak - 2:00 pm
- Lil' Ninja, Ninja White & Ninja Yellow - 4:00 pm
- Ninja Yellow & Ninja Green - 5:30 pm
