Don't See What you are Looking for?

We are always looking for ideas on summer classes and schedules. If you do not see what you are looking for, let us know. We may be able to open a class you are looking for if we have enough students to run the class. Putting your child on a wait list will let us know what type of interest there is for a specific class and/or time slot. You may be on more than one wait list.

Spotlight Show/Ninja Games

The Schedule is out for the Spotlight Show. Participants should have received an email or sheet indicating what time your child should be here for this event. Ninja Game shirts have been passed out and the custom leotards and t-shirts for the gymnasts are in so make sure to check with the front desk to get your child's items. Remember to have your child wear the leotard or shirt for the Spotlight Show and Ninja Games. If you have any questions let us know.
