WILL RESUME IN
OCTOBER 5TH

WELCOME BACK STUDENTS & FAMILIES

The 2026-2027 School year has begun. We hope that everyone enjoyed the last few days of summer and are ready to settle into their new schedule for the next 9 months. We are excited to see our returning students and meet our new students starting September 8th. Staff have been busy with special projects, cleaning the gym, organizing and preparing lesson plans.

Carousel's 2026-2027 Theme:

"HOW FAR I'LL GO" - MOANA

Moana has become a favorite movie not just because of the catchy music or fun characters, but because it also teaches children to discover their own identity, embrace leadership and step out of their comfort zone to see "How Far I'll Go". We can't wait to celebrate these wonderful lessons with our students this year. We will focus on developing leadership skills and help them see how far they can go when stepping out of their comfort zone.

How to prepare your child for class

Make sure your child is properly dressed for class before they arrive. This means appropriate workout attire (either shorts, pants, t-shirts or leotards). Sports bras alone are not appropriate attire for class as coaches need to spot children on skills and this can be uncomfortable for both student and teacher. Ninja Zone students (Waupaca location) will need to have a Ninja uniform for class. This can be purchased at THENINJAZONE.STORE. Jewelry, fitbits or watches should not be worn in class. Carousel Gymnastics is not responsible for any lost items. Each child that has a class that is 60 minutes or more should bring a water bottle.

Make sure to arrive 10 minutes before class begins to help your child be prepared to learn. This is especially important for children under 5. This helps them acclimate to their surroundings and get to know the children in their class. For some children, arriving late causes a lot of stress and unwillingness to participate in class. Let's work together to set them up for success.

IMPORTANT LOBBY AREA INFO

We do not have a large lobby area and need to limit the amount of people that come to watch classes. Sometimes there is standing room only so be patient with the staff and students as they are coming in and out of the main gym area. **MONDAYS IN THE WAUPACA LOCATION WILL BE OUR BUSIEST AND MOST CONGESTED.** With the limited lobby space in both locations, we request that you only have one person bring the child or if you can just drop off your child for class that would be helpful. The Plover location is on a farm, **but children and families should not be by the barn.** You are welcome to use the play area located behind the gym, but please do not go by the barn or any of the farm animals.

Sunny Day Childcare Students -We can pick your child up for class

For any child enrolled in Sunny Day Childcare in [Waupaca](#), Carousel Gymnastics can walk your child over for classes during the day. This is a great opportunity for students to get an activity in before going home for the evening. Make sure to communicate with the front desk both at Carousel Gymnastics and Sunny Day if your child will need to be walked over for classes. Always let our staff know if you pick your child up after their Gymnastics or Ninja class. If you do not arrive promptly after class to pick up your child, we will assume that we need to take your child back to Sunny Day. Let Sunny Day know if your child has a change of clothes for class so they can have them ready when we pick them up.
